Dear Mrs. Jones:

I have before me your letter of February 26th, relating to Miss Clara Barton. I am sorry to learn that you wrote to us before and had no response, but the fact is, that your letters never reached this office. I am happy to send you a report of the Elections of the Hall of Fame, which includes the one of 1940. From this report you will note that Miss Barton received but 12 votes.

Sincerely yours,

Assistant to the Director.

Mrs. Dunning B. Jones,
